Capability Statement

ABowens Drug & Alcohol Counseling is a minority Certified Woman-Owned Practice dedicated to providing drug and alcohol use services to individuals and families confronted with misuse, abuse, and addiction disorders in the state of Nebraska and Georgia. We collaborate with individuals, families, organizational employee assistance programs, public and private school systems, Department of Transportation, and colleges and universities by providing quality, person centered, trauma informed, culturally competent, treatment services, drug and alcohol education, and prevention services by utilizing evidenced based approaches. This space is in dire need of more minority women. We embrace the FRAME Methodology. **FRAME** stands for: **F**reedom, **R**edemption, **A**ccountability, **M**eaningful Second Chances, and **E**mpowerment.
